### **GENERAL RULES**

1. Parents/guardians of anyone under the age of 18 should specify if they do not wish their child/children to be photographed by or in relation to Findon Riding Club.
2. At or in the vicinity of the competition, everyone mounted – whether competing or not, must wear a hard hat to at least the recommended safety standard, with a harness properly adjusted and fastened. Failure to do so will incur elimination of the horse and/or rider. The minimum standard allowed is BSEN 1384 or PAS 015.
3. **DISCLAIMER OF LIABILITY:** Save for death or personal injury caused by the negligence of the organisers or anyone for whom they are in law responsible, neither the organisers of any event to which these rules apply, nor the British Horse Society, nor the agent, employee, or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land or any other person or property whatsoever, whether caused by negligence, breach of contract or in any other way whatsoever.
4. For jumping the wearing of body protectors is recommended, and in the interests of safety competitors should ensure that long hair is secured appropriately.
5. Competitors are required to show courtesy towards others when warming up. If riding on the opposite rein to one another competitors should pass left shoulder to left shoulder, and practice fences should be jumped in the correct direction. The side of the fence marked "red" should be kept on the rider's right.
6. The organisers reserve the right to decline any entry, combine, divide or cancel any class, if there are insufficient entries.
7. The club will not be held responsible for any complaint regarding horses or ponies entered in the wrong classes, but will act as a mediator provided the complainer has proof on the day of the show.
8. Horses are easily frightened and can be dangerous. Avoid behaviour which might alarm horses. Please keep dogs on leads at all times.
9. For all SJ classes the distances in combination fences will be as for horses but in the higher classes distances may be adjusted for ponies.
10. The making of an entry implies acceptance of the conditions above.
